Minutes: Meeting opened with discussion to determine charges/fees for Emporia Middle School use of the complex. Proposal was made for \$1000.00 for season, to include requesting the students clean up trash after each game. A vote was taken and passed unanimously.

Other topics of discussion, to be addressed in future meetings, included means of raising funds to manage expenses in the future, sponsors, team/player photos and the up-coming registration.

Uniforms will be purchased from Mike's Sporting Goods (different colored t-shirts for each team with numbers and "matching" socks). TRYSA will provide Mike's with the list of players and the team's color. Mike's will keep track of players that have received their shirt and the number they selected (avoid duplicates). The total cost of the uniform is expected to remain within our budget of \$10/player.
